

New Magic Story 015

Steve and Anna

Steve and Anna are Jeremy's Parents. **They have been married for 25 years now. They've been together for over 30.**

Steve is an Entrepreneur. He **owns** an online coaching business. But Steve hasn't always been **self-employed**. He **used to work** for a major financial corporation. **He'd worked there for 15 years before he was laid off about 5 years ago.**

Anna hasn't always been a yoga instructor. She used to be a bank manager. She **used to** have a regular 9 to 5 job. She'd been a bank manager for 7 years before she had a **nervous breakdown** couple of years ago and had to go to a hospital. Both Steve and Anna used to have the same kind of lifestyle. A few years ago **they realized** they had to change their lives **otherwise** they would definitely have some health issues.

What kind of change have they made in their lives?
