## A Day out in the park PART 3

As Becky and Jeremy were running to catch a good spot to watch the concert, something weird happened. They had to stop! Somebody grabbed Becky by the arm and said:

- "Becky? Is it really you?"

She suddenly stopped running and made Jeremy stop, too. She looked over and who did she see?

- "Alan?! What are you doing here?" She asked.

- "Well, I'm in town for a business conference this week. Flew in yesterday and here I am enjoying the festival."

Becky said: "Wow! I haven't seen you in so long! How have you been?"

Alan: - "I've been great. Quite busy, actually. What about you? How are you doing?"

Becky: "Great! Well, I'm sorry. This is Jeremy Pauk, a good friend of mine."

Alan: "Nice to meet you."

Jeremy: "You, too!"

Becky: "Well, it is good to see you again Alan! We're gonna go to the concert now..."

Alan: "I am really glad to see you too. Can we get together some time this week, to catch up?"

Becky: "Sure. Give me a call."

Alan: "Same number?"

Becky: "Yeah... Gotta go! Catch you later!"

*Let's talk about Alan:*

Alan was born in Tampa, FL. He moved to Seattle with his parents about 20 years ago. Becky and Alan used to go to the same high school. They used to hang out a lot until he got a job as production assistant at an entertainment company in California and moved to Los Angeles.

They haven't been in touch ever since.
