

New Magic Story 025

A Trip to Vegas

Carlos is a **35 year old man** from Brazil.

17 years ago he went to America as an **exchange student** and lived with an American family for about a year. He came back home and graduated from the university.

Carlos didn't want to have a regular **nine to five job**. He wanted to be **self employed**. So, he started his own business and now he is an entrepreneur.

In a few weeks Carlos is going to **travel abroad**. He's flying to Las Vegas NV in the USA . He is going to join a big group of entrepreneurs from all over the world **in a 2 day business conference**.

He's very excited! He's gonna take a few extra days and stay there for a total of 5 days.
