Jack and Carol

Jack has a very interesting life. - What kind of life does he have?

He is 38 years old. He lives in a small town in California.

He hasn't been married yet, and he has a beautiful girlfriend named Carol.

They live together in a house near the beach.

Why is his life so interesting?

Well, here is a description of Jack and Carol's daily routine:

They wake up early: at about 7 o'clock. At about 7:30 they have a short breakfast and go running. They run until 8:30, then, they go swimming in the ocean.

At around 9 they get back to the house, take a shower, have a quick second breakfast and go to work.

Both Jack and Carol work from home. They work online. Each one has their own home office in the house.

They have many clients and help lots of people on the internet.

Jack answers emails from 9 to 10. He starts recording videos for his clients at 10:15.

He finishes recording the videos at 12:00. Then, he has some online meetings with some business partners until 1:30pm.

Carol has lots of online conferences in the morning. She finishes the conferences at noon.

Carol goes to the beauty salon at about 12:00.

At 2pm Jack and Carol have lunch together in their house or sometimes they go out for lunch with friends.

Normally they are free for the rest of the afternoon. Sometimes they go on a business trip to a seminar or they go on a trip for fun.

They have dinner at around 8pm.

They don't go to bed very late - usually at 11pm.

On the next day Jack and Carol are ready for a fresh new day!
