

New Magic Story 027

Jack and Carol in the PAST

Ten years ago.....

Jack **had** a very interesting life. He **was** 38 years old. He **lived** in a small town in California. He **hadn't been married then**, and he **had** a beautiful girlfriend named Carol.

They **lived** together in a house near the beach.

Why **was** his life so interesting?

Well, here is a description of Jack and Carol's daily routine **TEN YEARS AGO**:

They **used to wake up** early: at about 7 o'clock. At about 7:30 **they used to have** a short breakfast and **went** running. They **used to run** until 8:30, then, they **went** swimming in the ocean.

At around 9 they **got** back to the house, **took** a shower, **had** a quick second breakfast and **went** to work.

Both Jack and Carol **used to work** from home. They **worked** online. Each one **had** their own home office in the house.

They **had** many clients and **helped** lots of people on the internet.

Jack **used to answer** emails from 9 to 10. He **started** recording videos for his clients at 10:15. He **finished** recording the videos at 12:00. Then, he **had** some online meetings with some business partners until 1:30pm.

Carol **had** lots of online conferences in the morning. She **finished** the conferences at noon.

Carol **used to go** to the beauty salon at about 12:00.

At 2pm Jack and Carol **used to have** lunch together in their house or sometimes they **went** out for lunch with friends.

Normally they **were** free for the rest of the afternoon. Sometimes they **went** on a business trip to a seminar or they **went** on a trip for fun.

They **used to have** dinner at around 8pm.

They **didn't used to go** to bed very late - usually at 11pm.

On the next day Jack and Carol **were** ready for a fresh new day!
