

New Magic Story 028

Jack and Carol in the FUTURE

NEXT YEAR...

Jack is going to have a very interesting life. He is going to be 38 years old. He is going to live in a small town in California.

He won't be married yet. He's going to have a beautiful girlfriend named Carol.

They'll live together in a house near the beach.

Why is his life going to be so interesting?

Well, here is what Jack and Carol's daily routine will be like:

They are going to wake up early: at about 7 o'clock. At about 7:30 they are gonna have a short breakfast and they'll go running. They are going to run until 8:30, then, they are gonna go swimming in the ocean.

At around 9 they'll get back to the house, take a shower, have a quick second breakfast and go to work.

Both Jack and Carol will work from home. They'll work online. Each one is going to have their own home office in the house.

They will have many clients and help lots of people on the internet.

Jack is going to answer emails from 9 to 10. He will start recording videos for his clients at 10:15. He is going to finish recording the videos at 12:00. Then, he is going to have some online meetings with some business partners until 1:30pm.

Carol will have lots of online conferences in the morning. She is going to finish the conferences at noon.

Carol is gonna go to the beauty salon at about 12:00.

At 2pm Jack and Carol will have lunch together in their house or sometimes they'll go out for lunch with friends.

Normally they will be free for the rest of the afternoon. Sometimes they'll go on a business trip to a seminar or they'll go on a trip for fun.

They are gonna have dinner at around 8pm.

They won't go to bed very late - at 11pm.

On the next day Jack and Carol will be ready for a fresh new day!
