

New Magic Story 030

The Exchange Student

Rodrigo is a 17 year old Brazilian who lives in Porto Alegre. He's just about to finish High School. He's planning on taking a trip to USA for a year as an exchange student. What he really wants is to improve his English and experience life with an American family.

He's quite excited because he passed the interview to be accepted in the program.

Rodrigo will be going to USA in August. He'll be staying with two families. He'll be staying with the Yokers for 6 months and then he'll be moving into the Pauks' residence.

Rodrigo will be going to Roosevelt High School. He'll be attending junior and senior grades.

Rodrigo has always dreamed of being an exchange student. He's worked hard in the past few years in order to be able to take this trip.

He's studied hard to get good grades and He's been practicing his English ever since he decided to have this experience.

There's only one thing he's worried about...

What is that?
